BUSINESS

PROPOSAL

FARM PARTNERSHIP

HEAD OFFICE -

Khasra No. 178 -
Ramdhan Girdharpura
Choraha,
Kunhadi, Kota - 324008

ABOUT COMPANY

MISSION - To innovate a sustainable growing technology that allows low-cost production of high-quality veggies.

VISION - A world in which pesticide-free vegetables are affordable and easily accessible to everyone.

OUR SERVICES

FARM SETUP

We set up large-scale, climate proof farms to grow a variety of Indian Staple Vegetables.

GROWING

Our patented growing chambers produce pesticide-free vegetables at minimal cost.

SELLING

We sell these vegetables at market prices in cities like Mumbai, Delhi, Jaipur and Kota.

BUSINESS PROPOSAL

Strategic Farm Partner Plan

- Farm partner brings in land as well as capital.
- Eeki sets up and manages the farm.
- Farm partner receives tax-free income.

Special Farm Partner Plan

- Farm is built on eeki's owned land.
- Farm partner brings in the initial capital for set up.
- Farm partner receives tax-free income.

General Investment Plan

- Invest savings in the market's best investment plan.
- Farm partner gets quarterly returns with a fixed ROI.
- Farm partner receives tax-free income.

A. Strategic Farm Partner Plan

Land Holdings

The farm partner initially brings minimum 5 acres of land and will bring-in additional 15 acres (Total 20 acres) in the next 2 years.

Attractive Returns

We promise you a minimum 20% return on your investment, which may increase as per market trends.

Suitability

Existing business professionals & entrepreneurs who are looking to diversify their business can opt for this plan.

A. Strategic Farm Partner Plan

Area	Investment	Return	Period
5 Acre	6.8 Cr	1.35 Cr	15 Years
10 Acre	13 Cr	2.70 Cr	15 Years

Partner's Role -

- Provide land for the farm setup.
- Incur the initial setup cost.
- Provide resources such as water, electricity & security.
- Earn tax-free agri income.

eeeki's Role -

- Constructing the farm.
- Looking after daily operations.
- Responsible for growing.
- Monitoring the sales & marketing.

B. Special Farm Partner Plan

LAND HOLDING

When the land holdings are less than 5 acres, the farm will be built on eeki's owned land.

HIGH RETURNS

We promise you a minimum 20% ROI, which may increase as per market trends.

SUITABILITY

This plan is well-suited for those who want to become farm partners but don't have access to land.

B. Special Plan - Farm Partner's Role

Setup cost

Bring-in the initial investment to construct the climate-proof farm.

Tax-free income

Partnering with eeki will generate exclusive tax-free agriculture income.

Asset development

The underutilized land will turn into an asset without any operational responsibilities.

B. Special Plan - eeki's Role

Farm setup

Building fully-functional climate-proof farm.

Operations

Managing farm's operations on a daily basis.

Growing

Accountable for growing high-quality vegetables.

Selling

Keenly monitoring the sales of the produce.

C. General Investment Plan

Eeki has come up with a unique investment opportunity that not only offers attractive financial returns but also builds long-term fixed assets for you. So, if you're on the lookout for lucrative returns on investment, this strategy is well-suited for you.

Investment	Land	Resources	ROI
10L to 36L	eeki	eeki	13%
40L to 70L	eeki	eeki	16%
Above 70L	eeki	eeki	17%

Note :

- There should be only single investor in the partnership.
- 6 Month period for project setup time
- 15 years project time period

Analysis of Returns

Investment	Annual(%)	Monthly returns	Yearly Returns
40,00,000	16%	53,333	6,40,000

Year-over-Year Return Analysis

Year	Investment	Return	Compound Return	ROI
1	40,00,000	3,20,000	6,40,000	16.00%
2	43,20,000	6,40,000	6,91,200	17.28%
3	49,60,000	6,40,000	7,93,600	19.84%
4	56,00,000	6,40,000	8,96,000	22.40%
5	62,40,000	6,40,000	9,98,400	24.96%
6	68,80,000	6,40,000	11,00,800	27.52%
