

PESTICIDE-FREE VEGGIES

ABOUT US

Eeki envisions a world free of malnutrition in which healthy & nutritious vegetables are affordable and accessible to everyone. We believe that premium vegetables should be available for consumption throughout the year, and our revolutionary farming technology makes it possible.

Round Tomatoes

Dishes such as curries, sauces, and sandwiches taste even more delicious with these tomatoes.

Red Cherry Tomatoes

These small tomatoes are sweet and juicy, and can be used in snacks, salads, and various tangy dishes.

Yellow Cherry Tomatoes

With these oval-shaped tomatoes, even basic dishes like salads and soups taste more flavoursome.

Oval Tomatoes

With these oval-shaped tomatoes, even basic dishes like salads and soups taste more flavoursome.

Red Candy Tomatoes

With a lot of sugar in it, these super-sweet tomatoes taste as good as cherry tomatoes.

Yellow Candy Tomatoes

With a thin yellow skin, these bite-sized tomatoes are great for salads, snacking and even roasting.

Beef Tomatoes

Indulge in the tempting flavor of juicy beef tomatoes that provides a refreshing goodness.

Cucumber

These vitamin-packed cucumbers are the perfect go-to summer snack to stay cool and energized.

THE FUTURE OF VEGETABLE CULTIVATION

Our Values

- ✔ Pesticide-free
- ✔ Juicy and Delicious
- ✔ Traceable

Why Choose Us?

Affordable prices

Eeki's innovative farming technology allows low-cost production of high-quality vegetables, enabling delivery at affordable prices.

Full of nutrients

Our plants are provided with crop-specific nutrition at regular intervals which results in a highly nutritious harvest.

Freshly delivered

All our farms are built within 50 km of the main city, enabling us to deliver fresh and healthy produce within 24 hours of harvest.

Consistent Quality

Our tomatoes have a consistent shape, size, and colour, making them homogenous in quality.
